3. Primary Applicant / Subscriber

The individual applying for the policy is called the primary applicant, or subscriber. This individual must have the legal capacity to contract and be recognized by the Commonwealth of Virginia as the person who becomes the policyholder or policy owner. Child-only policy applications need proper documentation from the parent(s)/legal guardian.

4. Dependents

A dependent is any person who is a member of a primary applicant's family who:

- meets all applicable eligibility requirements of the policy
- is enrolled pursuant to the policy
- is included in the premium amount by the Plan

A dependent may be a spouse and/or child(ren) of the applicant. Children are defined as:

- a natural child
- adopted child
- child placed for adoption
- foster child placed in foster care
- stepchild
- other child, such as grandchild, for who the plan's subscriber has legal custody

This includes children up to the end of the calendar month in which they turn 26 years of age, regardless of: financial dependency on the subscriber or any other person; residency with the subscriber or any other person; student status; employment status; or marital status.

Children also include the insured's mentally or physically handicapped child over age 26, who, as a result of the disability, is unable to perform self-support. It is not mandatory that the child reside with the applicant.

Dependents can only be added to plans during the open enrollment period or when there is a qualifying event during a Special Enrollment Period. Members adding a dependent to plans off the Marketplace can use the same application used for new business. Members adding a dependent to plans on the Marketplace must notify the Marketplace directly at [HealthCare.gov](https://www.healthcare.gov) or 1-800-318-2596 / TTY: 1-855-889-4325.

5. Newborn and Adoption Rules

Under a plan that provides coverage for a family member of the subscriber, a newborn child of the subscriber will be covered from the moment of birth for 31 days. An adopted child whose placement occurred within 31 days of birth will be considered a newborn child of the subscriber as of the date of adoptive or parental placement. The newborn child's coverage will be identical to coverage provided to the subscriber.

In order for coverage to continue beyond the first 31 days, the subscriber must add the newborn to the Plan and submit any required premiums within 60 days of the newborn's birth. Adopted children will be eligible for coverage from the date

of placement with the subscriber. An adopted child placed within 31 days of birth will be considered a newborn child of the subscriber as of the date of placement. The subscriber must add the adopted child to the plan and submit evidence of placement and any applicable premiums within 60 days from the date of placement. If an enrollment application and any required premiums are not submitted within 60 days of a qualifying event, (such as the birth, adoption, or placement for adoption), the newborn, adopted child, or other dependent will not be automatically eligible for enrollment under the subscriber's current policy and is subject to all the Plan's application requirements.

The Plan provides maternity and delivery coverage for dependents of the subscriber. A newborn child of a dependent is not eligible for coverage unless the subscriber has legal custody. Coverage for the newborn can be obtained through Optima Health, the Health Insurance Marketplace, or a Medicaid/CHIP program (based on income).

6. Dependent Children Aging Off Plan

Dependent coverage for off-Marketplace plans **ends on the last day of the month the dependent reaches age 26** for covered children. Once he/she reaches the state-specific attained age of 26 (also called over-age dependent), the dependent will be automatically cancelled off the policy on the first of the month. We will send a notification to the subscriber.

Dependents on a Marketplace plan can remain covered through December 31 of the year they turn 26. Dependents aged 26 will not be renewed on their parent's plan January 1.

Dependent handicapped children over age 26 who are both incapable of self-sustaining employment by reason of mental or physical disability and who chiefly are dependent upon the subscriber for support and maintenance will continue to be eligible for coverage beyond the plan's age limits. You must give the plan acceptable proof of incapacity and dependency within 31 days of the child reaching the specified age. Proof of incapacity consists of a statement by a licensed psychologist, psychiatrist, or other physician stating the dependent is incapable of self-sustaining employment by reason of mental or physical disability.

7. Enrollment Periods and Coverage Effective Dates

Open Enrollment Period

Open enrollment for 2022 starts November 1, 2021 and ends January 15, 2022. Member effective dates depend on when they enroll:

- enroll/active and passive renewal: November 1–December 15; effective date is January 1, 2022
- enroll/active renewal: December 16–January 15; effective date is February 1, 2022

Exception: Newborns and adopted children can be added to their parent's existing coverage or enrolled in a separate plan as of the date of birth or placement, as described in Section 5, page 2.

Special Enrollment Periods Outside Open Enrollment Period

Individuals who experience a qualifying event are able to enroll in a plan on or off the Marketplace outside the open enrollment period, known as a Special Enrollment Period (SEP). Documentation/proof of qualifying events is required prior to enrollment. If it is not received, the individual(s) may not be enrolled.

Members requesting a special enrollment to a plan off the Marketplace should use the same application used for new business. Members adding a spouse or dependent to a plan on the Marketplace or other qualifying event must contact the Marketplace directly at [HealthCare.gov](https://www.healthcare.gov) or 1-800-318-2596 / TTY: 1-855-889-4325.

The Plan provides special enrollment periods of 60 days from the date of a triggering event for enrollees and dependents of enrollees in Individual & Family plans.

10. Application and Payment Submission

Applications

Online: Applications and initial premium payment can be submitted online 24 hours a day, 7 days a week on our website.

If the initial payment is returned, the policy will be terminated back to the effective date of coverage.

Tips for Completing an Application

Failure to complete a health insurance application may cause delays in processing. Please verify the following items are completed before submitting your client's application:

- All demographic questions;
- Social Security number;
- Effective date desired;
- Coverage plan; and
- All payment information, including the bank address. The applicant (and spouse, if applying) and agent must sign and date the application. Dependents 18 years of age or older also need to sign and date the application. For child-only applications, the parent/legal guardian must sign and date the application.

If information is missing from the application, Optima Health will send a letter to the broker and/or applicant indicating what is needed. If the missing information is not provided within 10 calendar days, the application will be returned. Effective dates will be determined by when the application is completed, not by when it is submitted.

Application Tracking and Status Updates

After an online application is submitted, you can view status of the application in the broker portal.

Payments

Initial premium payment is required and must be paid prior to the plan's effective date. The initial payment will only be processed when a policy is issued. Initial payment must be cash, personal check, money order, cashier's check, ACH payment, or pre-paid debit or credit card.

On-going payments can be accepted via ACH, pre-paid debit card, credit card, personal check, money order, cash or cashier's check. Cash payments can be accepted at MoneyGram® locations throughout Virginia, including 7-Eleven, CVS, and Walmart. There is no fee to use this service; members only need to know their member ID number, receive code 15084, and monthly premium amount.

11. Cancellation of Coverage

A member may cancel their plan/policy at any time. Individual & Family plan policies are not automatically cancelled when transferring to an Optima Health Group plan, a Medicaid plan, or a Medicare plan. In these cases, the member must request cancellation of the Individual coverage in writing.

For Marketplace plans, cancellation requests must be handled directly with the Marketplace.

Cancellation for Non-Payment of Premium

Individuals must pay all premiums when due. A 31-day grace period will be provided for all premiums due except for the initial premium payment. When premiums are not paid, plans/policies will terminate at the end of the grace period. Full premium will be required prior to the end of the grace period in order for coverage to continue.

Members who purchase coverage through the Marketplace and receive an Advanced Premium Tax Credit have a 90-day grace period before their plan is cancelled for non-payment. Any claims incurred after the first 31 days of the 90-day period will be pended until all outstanding premiums are paid in full. If all past due premiums are not paid in full by the last day of the 90-day grace period, coverage will end effective the last day of the initial 31-day grace period.

When coverage is cancelled for non-payment and the subscriber seeks enrollment in another individual plan from the same issuer—either during special enrollment or during the next open enrollment period—we may require that the subscriber pay all past due premium amounts owed to us for coverage in the prior 12 months, and any applicable binder payments for the new coverage. This does not apply to any dependents covered under the prior plan that seek future enrollment in their own plan.

Termination of the Qualified Health Plan or Qualified Health Plan Issuer

The Plan may terminate coverage under the member's policy as permitted under the terms of our agreement with CMS and the Exchange and applicable state law. The member will be notified by us as required by applicable state and federal law.
