Members can follow the steps below to receive reimbursement for a prescription.

- Complete the Direct Member Reimbursement Form below. Make sure you include the member ID number with this request. The number is located on the member ID card.
- You must include the prescription label (the piece of paper that is stapled to the bag that gives specifics about the prescription). Only two prescriptions per form.
- Mail this form, prescription label(s), and receipt(s) to:
 Pharmacy Authorization Department
 Optima Health, 4417 Corporation Lane, Virginia Beach, VA 23462

All requests for pharmacy reimbursement are subject to plan guidelines, policies, and procedures. For example, if a drug requires pre-authorization and was rejected at the pharmacy, it is not eligible for reimbursement. Controlled drugs will not be reimbursed if prior authorization or step edit requests are not given before the pharmacy gets the prescription.

If you have any questions, please call Member Services at the number listed on the back of your member ID card.
