Optima Community Complete (HMO D-SNP) 2022 Pharmacy Directory

This pharmacy directory was updated on February 15, 2022.

For more recent information or other questions, please contact Optima Community Complete Member Services at 1-800-927-6048, or for TTY users, 1-800-828-1140 or 711 (October 1, 2021 – March 31, 2022, 7 days a week from 8:00 a.m. - 8:00 p.m. ET; April 1, 2022– September 30, 2022, Monday through Friday from 8:00 a.m. - 8:00 p.m. ET) or visit

www.optimahealth.com/members/communitycomplete.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.optimahealth.com/members/communitycomplete. You may also call Member Services for updated provider information.

Introduction

This booklet provides a list of Optima Community Complete network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Optima Community Complete formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means Optima Medicare. When it refers to “plan” or “our plan,” it means Optima Community Complete.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Optima Community Complete only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of February 15, 2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called OptumRx. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Accomack, Albemarle, Alexandria City, Alleghany, Amelia, Amherst, Appomattox, Arlington, Augusta, Bath, Bedford, Bland, Botetourt, Bristol City, Brunswick, Buchanan, Buckingham, Buena Vista City, Campbell, Caroline, Carroll, Charles City, Charlotte, Charlottesville City, Chesapeake City, Chesterfield, Clarke, Colonial Heights City, Covington City, Craig, Culpeper, Cumberland, Danville City, Dickenson, Dinwiddie, Emporia City, Essex, Fairfax, Fairfax City, Falls, Church City, Fauquier, Floyd, Fluvanna, Franklin, Franklin City, Frederick, Galax City, Giles, Gloucester, Goochland, Grayson, Greene, Greensville, Halifax, Hampton City, Hanover, Harrisonburg City, Henrico, Henry, Highland, Hopewell City, Isle of Wight, James City, King George, King William, King and Queen, Lancaster, Lee, Lexington City, Loudoun, Louisa, Lunenburg, Lynchburg City, Madison, Manassas City, Manassas Park City, Martinsville City, Mathews, Mecklenburg, Middlesex, Montgomery, Nelson, New Kent, Newport News City, Norfolk City, Northampton, Northumberland, Norton City, Nottoway, Orange, Page, Patrick, Petersburg City, Pittsylvania, Poquoson City, Portsmouth City, Powhatan, Prince Edward, Prince George, Prince William, Pulaski, Radford City, Rappahannock, Richmond, Richmond City, Roanoke, Roanoke City, Rockbridge, Rockingham, Russell, Salem City, Scott, Shenandoah, Smyth, Southampton, Stafford, Staunton City, Suffolk City, Surry, Sussex, Tazewell, Virginia Beach City, Warren, Washington, Waynesboro City, Westmoreland, Williamsburg City, Winchester City, Wise, Wythe, York, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Chain Pharmacy Services.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Optima Community Complete.

Mail Order Pharmacy

OptumRx

1-866-603-7514

You can get prescription drugs shipped to your home through our network mail order delivery program which is called OptumRx. To get order forms and information about filling your prescriptions by mail, please call OptumRx at 1-866-603-7514 or TTY users call 711. You can also print the order form from our website at www.optimahealth.com/communitycomplete.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us fourteen (14) days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact OptumRx by calling 1-866-603-7514 or TTY users call 711.

Typically, you should expect to receive your prescription drugs within fourteen (14) days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-866-603-7514 or TTY users call 711.

Mail Prescriptions to:
OptumRx
P.O. Box 2975
Shawnee Mission, KS 66201-1375>

If your prescriber is submitting your prescription electronically, all e-
scripts must be sent to OptumRx.
